

2017-2018 METC PROGRAM ROADMAP FOR NAVY CARDIOVASCULAR TECHNICIAN

Degree			
Bachelor of Science in Health Sciences with no concentration (BSHS-NC)			
Degree Objective			
The Bachelor of Science in Health Sciences program provides a firm foundation in the health sciences to prepare graduates for entry and mid-level positions in public health and health care administration, or to pursue graduate education in a health-related field. Our mission is to produce highly competent, ethical, caring health professionals who can effect change for the better in communities, populations, organizations, and systems. We do this with an evidence-based online teaching model and a student-centered learning environment in which undergraduates can expand their knowledge and skills.			
Admission Requirements			
<ul style="list-style-type: none"> • A diploma from an accredited or state approved high school or its equivalent; • A minimum GPA of 2.0 in all high school coursework; • Proof of English proficiency (international students only). • A minimum GPA of 2.0 in all transferable coursework. 			
Degree Requirements			
<ul style="list-style-type: none"> • <u>Total Semester Hours</u>: Undergraduate students are required to earn a minimum of 120 semester hours to be eligible to graduate from Trident University International. Some programs may require more units. • <u>Residency</u>: Students must complete a minimum of 30 semester hours at Trident University International. • <u>Upper Division Course Requirement</u>: Students must complete a minimum of 36 semester hours of coursework at the 300 and 400 levels. • <u>General Education Program</u>: Students must complete the General Education Program requirements as stated in the catalog. • <u>Academic Program</u>: Students must also satisfy all requirements of the individual program. • <u>Minimum Grade</u>: Students must receive a minimum grade of "D" in undergraduate coursework taken at Trident. • <u>Capstone Grade</u>: Students must receive a minimum grade of "C" in the undergraduate program capstone course. • <u>Grade Point Average Requirement</u>: Students must receive a minimum cumulative GPA of 2.0 in all undergraduate coursework taken at Trident. 			
Transfer Policy			
Credits are considered for transfer from any regionally or nationally accredited college or university as well as The American Council on Education (ACE), College Level Examination Program (CLEP), The DANTES Subject Standardized Tests (DSST/DANTES), The Council for Adult and Experiential Learning (CAEL), and Excelsior, and other non-traditional forms of learning as deemed appropriate by College Deans or designees.
