

# FASTRAC TO GRADUATION

## Earn a Master of Science in Human Resource Management

### How it works:

Trident recommends two paths to graduation for the MSHRM Degree. Fastrac 12 or 18. In the 18-month track, you take 1 course per 8-week session. In the 12-month track, time to completion is reduced by 6 months by doubling up your course load 3 of the 6 sessions. Our Deans have carefully mapped out the course sequence to ensure class pairings are realistic and academic success achievable. Quality is not compromised, and flexibility is still built in. Which path will you take?

*Note: This plan is for MSHRM students who have a business undergraduate degree*
